RESPONSE TO RESTRICTION REQUIREMENTAssistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Please amend the above-identified application as indicated below.

IN THE CLAIMS

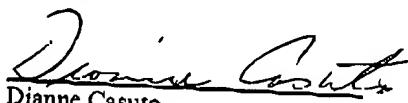

Please CANCEL claims 18-25, WITHOUT PREJUDICE.

Remarks

This communication is in response to the Office Action, mailed October 8, 2002 in the above-identified patent application. Claims 1-26 currently are pending. In the Office Action, the Examiner restricted Applicants' invention to one of two designated groups, namely, the invention of Group I (claims 1-17 and 26, drawn to a method for decreasing interferences which result in inaccurate readings comprising adding an effective amount of a large polycation to serum) and Group II (claims 18-25, drawn to a kit comprising a large polycation). Applicants hereby elect the invention of Group I, without traverse. Applicants reserve the right to file a divisional application directed to the non-elected subject matter.
